PT-E110VP

Create long lasting labels in various tapes colours and widths using PT-E110VP. With dedicated functions, it make common labelling tasks quick and easy. Come with a hard carrying case, PT-E110VP is an invaluable tool for electricians and other professional specialist.

Fast Print speed

20mm per second
fast print speed

Cable wrap

Identify cables quickly
with easy-to-read labels

Cable flag

Select cable diameter
to print the correct length
of label

Dedicated number keypad

Speed up the input
of numeric labels

Graphic display

Print preview
before print

Face plate

Label socket outlets,
network points and faceplates

Sequential numbering

Print labels consisting of a
sequence of numbers
or letters

200 built-in symbols

Include common electrical,
datacom, AV, security
and safety symbols

TZe laminated labels – designed to last

Brother TZe laminated tapes consist of six layers of materials, resulting in a thin yet extremely strong label. The direct thermal transfer ink is sandwiched between two protective layers of PET (polyester film) which protects the text against the effects of liquids, abrasion, temperature, chemicals and sunlight. As the labels are tested to the extreme, professional quality labels have been designed to last.

PT-E110VP Features / Specification

Hardware features

16-character Graphical LCD with real print preview
AD-24ES-01 AC Power adapter (included)
6 pcs of AAA batteries (LR03 alkaline or HR03 rechargeable Ni-MH) - (not included)
QWERTY keyboard with dedicated numeric keypad

Label printing

Print on 3.5, 6, 9, 12mm labels width
Print up to 2 lines
Maximum print height of 9mm
Maximum label length of 300mm
180dpi print resolution
20mm per second fast print speed
Manual cutter

Label design

Dedicated functions for cable wrap, cable flag, face place and sequential numbering
10 font styles, 3 character sizes and 3 character widths
200 symbols including electrical, security, audio/video and safety symbols
Add frames around labels
9 programmable memory
Automatic sequential numbering for fast printing of identification numbers
Print up to 9 copies

Dimension and Weight

111mm (W) x 58mm (D) x 204mm (H), 400g

Package content

PT-E110 Electronic Labeller
AD-24ES-01 AC Power adapter
TZe-FX221 9mm Black on White Flexible-ID tape (8m long)
Hard carrying case
